

National Compensation Association of State Governments

Sponsorship Levels

The National Compensation Association of State Governments (NCASG) provides a forum for compensation professionals from member states to exchange information, professional expertise, and knowledge related to the compensation of state government employees. Annually we conduct a national salary survey, benefits survey, and pay practices survey, all of which provide valuable information to our participating member states. Additionally, we hold quarterly virtual meetings to discuss topics of interest, have a national annual conference, and provide a network of professional support.

The NCASG annual conference will be hosted by the State of Wyoming in the town of Laramie. The conference will be held September 21st through September 24th, 2025.

Sponsorship is an opportunity to support and network with this unique group of state government total rewards professionals. Attendees will be coming to Wyoming from across the nation with a focus on public sector total rewards. In addition to the items listed below, sponsors will receive special recognition via social media and through the NCASG website.

Diamond	Platinum	Gold	Silver	Bronze
Cost \$5,000	Cost \$2,000	Cost \$1,000	Cost: \$500	Cost: \$250
